MUTUAL BUSINESS AGREEMENT AND CONSENT

This Document represents a formal, legally binding agreement executed between Bexcode Services and the designated Signer.

1. SCOPE AND PURPOSE

The undersigned parties hereby ratify the terms, covenants, and conditions specified within this document and agree to the cryptographic authentication protocols implemented herein.

2. ELECTRONIC SIGNATURE LEGAL VALIDITY

Both parties expressly consent to the execution of this document via BexSign electronic signatures and acknowledge that digital signatures possess the same legal force as handwritten signatures.

3. RECORD KEEPING AND AUDIT TRAIL

A comprehensive digital certificate and time-stamped audit trail will be generated upon completion, verifying signer identity, IP address, and document integrity.

4. ACKNOWLEDGMENT AND EXECUTION

Please review the contents of this document carefully before affixing your signature in the designated field below.
